WHAT ARE TRI-COUNTY UNITED WAY'S LEADERSHIP COMMITTEES?

Tri-County United Way encourages societal and business leaders to give, advocate and volunteer with us throughout the communities of Northern Saratoga, Warren, and Washington Counties. Our Leadership Committees does this by providing these high-impact, local-minded leaders with opportunities to share ideas, build relationships and inspire commitment to improve communities throughout our Tri-County region. Leadership Committee members are also ambassadors for Tri-County United Way, using their networks to connect with other philanthropists and thought-leaders who are driving social change.

JOIN TRI-COUNTY UNITED WAY'S LEADERSHIP COMMITTEES

Yearly Tri-County United Way provides funding to local programs that have proven community effectiveness. Through a process we call 'Community Investment' volunteers lead the review of funding requests, program outcomes, financial data and past performance. This committee kicks off in February and continues through June. Volunteers should be able to commit to monthly meetings of one or more hours, as well as site visits to local nonprofits.

COMMUNITY INVESTMENT COMMITTEE

Tri-County United Way's 518 Day Committee offers chances for individuals to contribute to the creation of a more engaged & kinder region throughout May. Regional volunteerism through a variety of initiatives is celebrated throughout the month of May, specifically on May 18th (5/18 Day). Volunteers should be able to commit to bi-monthly meetings November through May. Businesses are also welcome to join.
